Qualitative

What are the most valuable aspects of this course? -

- Teacher really loves the subject.
- Teacher was enthusiastic during his lectures. Very understandable
- Enthusiastic teaching, and great translations of bible verses into my words.
- The course is very interesting and I greatly enjoy learning new things about what I thought I already knew, growing up in a Christian home.
- Using the bible to learn more about new testament.
- In-class discussions on modern social issues as they relate to the New Testament.
- Dr. Wells teaches this class better than I ever expected. He teaches us the New Testament in a historical manner, but also makes it relate to Christians and as far as I'm concerned, does not offend. I really liked the discussions that we had and the pace of the course.
- learning interesting information
- Giving the students an opportunity to participate in the lesson.

What are the least valuable aspects of this course? -

- Was boring from time to time
- N.A.
- I really can't think of anything.
- none
- how fast the notes go by the screen is difficult.
- Too much information to retain and dates in the beginning.
- The exams were very difficult.
- Very few grades in the class, so if you mess up once you're in trouble.

What are some ways in which this course could be improved? -

- More Grades
- I was much more relaxed taking the exam online, especially considering the construction (which isn't the instructor's fault). Also, I feel that you could be more clear on what we need to know for the tests a little more.
- This course had interesting material, but it seemed very redundant, which made the class feel boring.
- Spread out information or longer course
- none
- Slow down just a little to get more of an understanding.
- I would have liked it if we had had a more talkative and opinionated group, but there's nothing that Dr. Wells can do about that.
- It could not be improved.
- More grades rather than just test grades

Please provide other comments you would like to make regarding this course. -

- I loved this course. If I had time to take more Religion courses with Dr. Wells, I would. I learned so much and it was really valuable for me.
- The instructor made this course enjoyable. I loved having Dr. Wells as my professor this semester and I hope to take more classes from him in the future. Throughout this course, I began changing my viewpoints in faith and Dr. Wells agreed to meet me and answer the questions I put to him. You can tell he truly enjoys his work and his enthusiasm rubs off on his students.
